

Holiday Kidz

Who's there to care when school's out?

Kidz@Work offers you the perfect answer to your childcare problems during school holiday periods.

With our up-to-the-minute facilities and trained, caring staff, we provide holiday fun, space and security for your 5-11s – and peace of mind for you.

We tailor our flexible programme to the particular needs, preferences and interests of the children in each group. There's so much to see and do...

Active Kidz!

Our spectacular play areas are beautifully equipped both indoors and out, and feature a soft play suite, bikes and scooters, an obstacle course and even a fabulous Traverse Wall for budding climbers!

In addition, our Sporty Kidz programme offers a choice of sports and games under the guidance of our qualified PE teacher.

Quieter moments

There's plenty of room for relaxation – but no time to be bored! Children can choose a variety of activities, from a quiet read or listening to DVDs to enjoyable, hands-on activities such as play stations, baking, arts and crafts.

Out and about

Holidays are the ideal time for great days out: visits to the cinema, rock climbing, special events or playing in the park – we arrange custom-designed trips to keep every child happy.

Choose half or full-day care between 08:00 and 18:00. There's extra flexibility for care between 07:00 and 19:00 for a small additional charge. Healthy, home-cooked meals are included and fun is guaranteed!
